

Behold His

GLORY

Beheld By Angels

- Angels excitedly proclaimed the birth of Jesus (Luke 2:8-15).

- They must have been witnesses to the events of His life, since Jesus claimed they were "on call" at a moment's notice (Matthew 26:53).

IN REVELATION

2 Corinthians

3:12-4:6

Veiled Face

- A hard heart makes it impossible to see GOD's glory (Jer. 29:13). It was why Moses kept the veil over his glowing face. The people had even begged Moses to keep God's glory at arm's length (Ex. 20:19).

- "Whenever a man turns to the Lord" – In order to have the veil of ignorance removed, we must be willing to submit. Often this requires us to let go of ideas, attitudes, and habits that feel (deceptively) comfortable.

- It's easy and convenient to dismiss Jesus, just as many of His contemporaries did. "Seeing, they do not see" (Matthew 13:13).
