QUALITIES OF A SOUND CHURCH

WHAT MAKES A CHURCH SOUND?

- It is correct to assert that sound doctrine is part of a healthy congregation (Titus 1:9, 2:1, 2 Tim. 4:2-4, 1 Tim. 6:3-5). We are fed by the Word, not our opinions or religious fashion trends (1 Pet. 2:2, Heb. 5:12ff).

- But even a church that stands solidly for sound doctrine might not be *sound*— as in, healthy (Rev. 2:2-5). A complete spiritual diet is needed (Eph. 4:14-16).
